Description:

The University of Vienna (Project management: Univ.-Prof. Dr. Susanne Reindl-Krauskopf; permanent team: Mag. Martin Meissnitzer, Judith Wimmer) carried out a research project in the field of social security fraud in cooperation with the Austrian Federal Ministry of Labour, Social Affairs and Consumer Protection between 2010 and 2012. The research report as well as the respective recommendations were published on the Ministry's website

([http://bmask.gv.at/site/Startseite/News/Endbericht zum Forschungsprojekt Sozialbetrug liegt vor](http://bmask.gv.at/site/Startseite/News/Endbericht_zum_Forschungsprojekt_Sozialbetrug_liegt_vor)).

The current project provides for the scientific support during the implementation of the various recommendations aiming at an efficient prevention and prosecution of fraudulent behaviour in connection with social security payments, benefits in kind as well as the evasion of due contributions and taxes.
