

Survey on the handling of accusations of mistreatment against law enforcement officials

Project Management:

Univ.-Prof. Dr. Susanne Reindl-Krauskopf

Team:

Scientific staff:

Univ.-Prof. Dr. Christian Grafl (assistant project leader)

Univ.-Ass. Mag. Angelika Zotter

Barbara Herweg, MA

Shirin Ghazanfari

Laura Kilzer

Administrative support:

Judith Palla

Description:

The project aims to investigate how national administrative and judicial authorities respond to allegations regarding mistreatment by law enforcement officials. Based on the evaluation of relevant investigation files of the public prosecutor's offices in Vienna and Salzburg, a phenomenology of typical accusations of mistreatment will be compiled. Subsequently practical obstacles regarding investigations and proceedings as well as weaknesses will be identified and potential for improvement will be highlighted.
